

2026 Goldstock Golf Cart Rental Instructions & Waiver

I acknowledge that I am at least 18 years of age and possess a valid state driver's license. I promise to ask for instructions if I have never driven a golf cart before.

If, at any time, I don't feel I can drive the golf cart responsibly, I will turn the key over to the **Golf Cart Manager, Bob Coelho**, and understand that I will not receive any refund. If, at any time, the Golf Cart Manager determines that, for any reason, I am not fit to continue driving, the cart will be taken back, and no refund will be given.

I understand that I will not loan/give or rent my golf cart to anyone without the express permission of the Golf Cart Manager. If I do, I understand that the cart will be taken back, and no refund will be given. I understand that if I am observed driving the cart recklessly, speeding or allowing others to "hang" off the sides or back of the cart, the cart will be taken back, and no refund will be given.

I understand that if I damage the cart or lose the key, I must immediately notify the Golf Cart Manager and await further instructions. A lost key will result in a \$20 key charge payable immediately in accordance with the Golf Cart Company Rental Agreement.

I understand that I will receive the cart with a full tank of gas and in good operating condition. If I empty the gas tank I am responsible for purchasing additional gas if necessary.

I understand that I will not decorate the cart with tape on the painted areas. I also agree that I will return the cart relatively clean, free of any debris. I will park the golf cart off the main roads and not leave it stranded or blocking any entrances to any building on the grounds.

I understand that the key CANNOT be left in the ignition for any length of time and will always be kept in my possession. If a key is found in the ignition in a parked area, the cart may be taken from me, and I will not be entitled to a refund. Once my cart is paid for, I cannot cancel it.

If there are more requests than we have carts, I may be placed on a waiting list. The carts will be assigned by the Golf Cart Manager at his discretion. The pickup area will be near the parking area designated by **Camp Towanda**. Carts may be picked up anytime that both the carts and the Golf Cart Manager are available, generally from around 3 PM on Thursday through Sunday evening. If no one is at the pickup area when you arrive you can call the Golf Cart Manager or his designated assistants to arrange for pickup. Their names and cell phone numbers will be listed on a sign in the window of the Golf Cart Manager's car (a blue Subaru Outback w/a U-Haul trailer attached) parked next to the golf cart pickup area.

All carts must be returned to the same pickup area where they were picked up by 3 pm on Tuesday. Please remove all decorations and trash and leave the key in the ignition with the brake engaged. Name tags must remain on the cart so that we can properly identify the person responsible for the cart.

I understand I am paying for the period Thursday through Tuesday at 3 pm. Any additional time given will be at the discretion of the Golf Cart Manager depending on the pickup date and time of the Golf Cart Company. I understand that I must read and sign this waiver and bring it with me to camp.
